Old Business

Dave contacted county clerk and was told that we do not have to mail ballots. Ballots and voting can take place at the Etna Community Center November 8, 2022, between 7 AM – 7 PM. This will save district a lot of money.

Dave will prepare and forward public records notice to county clerk's office. It will list website as place for community to find records.

Discussed getting new secretary. Dave has been acting as secretary since Courtney Campbell's resignation. Although John Edwards took her place, he is busy with website.

More discussion of election procedure. Who will cover time slots, count ballots, etc.

New Business

Dave will be absent for the October 4 meeting, so motion was made to move October meeting to October 11, 2022, 1st and 2nd.

Meeting adjourned at 8:35
